Flag Day - June 14th

The Fourth of July was traditionally celebrated as America's birthday, but the idea of an annual day specifically to celebrate the Flag is believed to have first originated in 1885.

Inspired by three decades of various state and local celebrations, Flag Day - the anniversary of the Flag Resolution

of 1777 - was officially established by a proclamation by President Woodrow Wilson on May 30, 1916. While Flag Day was celebrated for years after Wilson's proclamation, it was not until August 3, 1949, that President Harry Truman signed an Act of Congress designating **June 14th** of each year as **National Flag Day**.
